

Humanities *Curriculum Intent*

In Key Stage 3, students at Red Balloon will take Humanities as part of their timetabled sessions. Students will be working towards an Entry Level certificate, specifically designed to be accessible and responsive to all learners.

This part of the curriculum aims stimulate interest, enjoyment and a sense of wonder about our world from places and environments to the history that binds it together. We want to fascinate and inspire our pupils about the beauty and intrigue of our world.

Through focusing on **Geography** and **History**, we provide essential knowledge that allows pupils to make informed choices. In our ever-changing world; pupils need to be equipped with knowledge of modern-day challenges in both a local and global context but also to look back on past achievements and problems in our history and see how this impacted our world.
